

Paw-Free Homing

Our new approach to re-homing to ensure we continue to find the perfect home for our cats as well as ensuring our volunteers and adopters are kept safe.

Found a cat you would like to adopt on our web site?

Please complete the online adoption application form in full. Remember to include as much information as possible.

Are you the purrfect match ?

If you are a match, lets chat!!!! We will arrange a virtual meet up & home check to find out more about you & your family. This is also your chance to ask us everything you need to know.

Adoption day

On the day of adoption 1 person will be invited to complete all paperwork, pay the adoption fee and collect the cat. Social distancing will apply at all times to keep everyone safe.

After you have taken your baby home

We are here to help and support you. We will check in with you to ensure all is going fine, but your free to call us if you need us.

For more information please check our web site for terms of adoption.
